

GIVE. WHERE YOU LIVE.

Anmore . Belcarra . Coquitlam . Port Coquitlam . Port Moody

Dr. Mike Mostrenko and his son William, fishing off the dock at Belcarra. Learn more – erhf.ca/hearthands

"This is my community - I was born and raised here and for the past 17 years, my family and I have called it our home. Eagle Ridge Hospital is my hospital for many important reasons. It is the place that cares for my family, friends and neighbours - all of the faces that make my community complete. It is also where I hang my professional hat every day, in the Emergency Department, where I am so proud to also care for those same faces and so many more. It is a joy and a privilege to donate; to give where I live."

~ **Dr. Mike Mostrenko**
Emergency Physician
Eagle Ridge Hospital

Thank you for your support. Your dollars stay right here in our community, helping to save lives.

A few of the many highlights so far in 2018:

- 175 breast cancer survivors were treated in the Areola Tattoo Clinic; a clinic funded 100% by donors.
- 15 children living in low income families received the gift of hearing through our Hearing for Kids Program.
- Patients of the Tri-Cities Dialysis Unit received 19 new comfort stations and televisions to make their four hour treatments more comfortable.
- 30 youth between 6 - 18 years of age who are dealing with mental health challenges were given access to Yoga classes to help with stress reduction and being mindful.
- 75 residents living with mental health challenges at the Cottonwood, Connelly and Cypress Lodges participated in off-site day trips because of a Hopes and Dreams Fund set up by Phoenix Truck & Crane.

We received some amazing transformational gifts supporting the expansion of our Emergency Department, Cardiology and Community Outpatient Services:

- Sharon Perry and her family donated \$1,000,000 in memory of Bruce Kehler (husband, dad, papa) to ensure Cardiac services at Eagle Ridge Hospital grow and expand to meet the increasing cardiac needs of our community.
- Eagle Ridge Hospital's Auxiliary donated \$250,000 to ensure there is more waiting room space for patients and their loved ones in what will be the newly expanded Emergency Department.
- Port Moody Firefighters' Charitable Society donated \$150,000 to provide a much needed second resuscitation room in the soon to be expanded Emergency Department.

This **holiday season**, please **GIVE. WHERE YOU LIVE.**

Make a gift that will save lives by transforming the level of health care at your community hospital. **Donate today at: erhf.ca/ways-to-donate**
